The Parish Council, in common with many other organisations, is having to react to the restrictions brought about by the corona virus. As a consequence, the monthly meetings from the beginning of April have been cancelled, initially for the next three months, and the situation will be reviewed in June.

Other than the Annual General Meeting (AGM), normally held in May, Parish Councils are legally only required to meet on three other occasions during the year and Government advice confirms that the AGM can be deferred until May 2021 if necessary, with the Chairman retaining this role for the same period.

Bearing in mind the very limited amount of business the Council has to deal with this should not present too many problems but if and when matters arise requiring prompt action, the Council will then consider how best to respond.

Further information, including details regarding the recommencement of normal service, will be placed on notice boards and the website as and when available.

Any queries can be addressed to any councillor or the Clerk.

J Smith,
Clerk, 10th April 2020
